-VOLUME 16, NO. 93, MONDAY MAY 8, 2000-

Incumbents Dennis Odell and Mike McCarty kept their seats on the Liberty City Council and challenger Michael Mark apparently gained a place on the Council in Saturday's city elections in Liberty. Odell and McCarty were the top two vote-getters and Michael Mark edged out fourth place finisher Rusty Blue in the race for three at-large positions. Mark finished with two more votes than Blue, who says he is still considering whether or not he will ask that the 1,174 votes cast be recounted. According to state election code, Blue has until 5 p.m. Thursday to request a recount. In the Liberty School Board Elections, all three incumbents on the ballot, Dr. Allen Griffin, Dr. David Arnold, and Board President Gary Willoughby, were re-elected.

In the Dayton City Council Elections, incumbent Jay Tadlock and newcomers John Simmons and John C. Otto were elected. Eliza Mae Guidry, who had been on the Dayton City Council for 18 years, was not returned to office. Also, in three non-binding referendums, Dayton voters made it clear they want regulations limiting where manufactured homes can be located in the city.

Liberty County has received some money from the State of Texas as a result of tobacco settlement proceeds. The county received a check of about \$62,700 for unreimbursed health care expenditures incurred in 1999. Funds are based on a per capita distribution system and will continue for five more years. Also as a result of the same tobacco settlement proceeds, the Texas Department of Health has awarded Emergency Medical Services Local Project Grants to five Liberty County entities that perform emergency services. Grants range in amount from about \$1,200 to about \$3,300 and were awarded to City of Liberty EMS, Liberty County EMS, Westlake EMS, Highway 321 VFD First Responders, and the Tarkington Volunteer Fire Department for a variety of equipment upgrades.

Another new business will open soon in Dayton. Scott Hajovsky will open a Kwik Kar Oil Change and Auto Service Store on Highway 146 South. Hajovsky says assuming the City of Dayton can complete installation of sewer service in time, the new business should be open by Monday, May 15th.

FUNERALS: James Jesse Lemond, 67, of Raywood, Services today at 10 a.m at Sacred Heart Catholic Church in Raywood.**
